NARRATIVE

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION Hit and Run – Property Damage	INCIDENT NUMBER 15-001067
NAME OF VICTIM(S)		

NARRATIVE:

On 4/25/15 at approximately 2318 hours, I was working as a general commissioned uniformed police officer for the City of Lake Stevens police department driving a marked police vehicle equipped with emergency lights and siren.

I was dispatched with other officers to a collision that occurred on S. Lake Stevens Rd near Stitch Rd in the city of Lake Stevens. Upon arrival, I saw a vehicle (WA lic#AHY2120) that was taking up both lanes of travel in the 10900 block of S. Lake Stevens Rd. Officer Wells said he was making contact with the driver (later identified as Jennifer Bailey DOB 02/12/86) near 10805 S. Lake Stevens Rd. Officer Wells requested aid to come to his location. When aid arrived, Officer Wells said Jennifer would be taken to the hospital by aid. Officer Wells told me Jennifer admitted to being the driver of the vehicle.

For further information regarding the contact with Jennifer, refer to Officer Wells' narrative.

I spoke with Emily Guildner (DOB 09/08/88) who spoke with the driver of the vehicle Jennifer. Emily told me the following:

She was driving west on S. Lake Stevens Rd with her husband when she saw a car in the middle of the road taking up both lanes. When she stopped she saw someone (later identified as Jennifer) get out of the vehicle. She rolled down her window and asked Jennifer if she needed to call 911 for. Jennifer said she already called 911. Jennifer approached my car and asked to use my phone. She told Jennifer she could have it after her husband was done talking with 911. Jennifer asked me not to call the police. She then went to the next car behind us and asked to use their phone. After a few minutes, I saw her walk pass the accident west on S. Lake Stevens Rd.

I had Emily complete a statement.

Sergeant Miner took care of traffic control. I called for a tow truck and took photos of the scene.

While taking photos I saw where the vehicle left the roadway between the 10800 block and the 10900 block of S. Lake Stevens Rd. There are tracks leading to the south of the road and into the ditch. The tracks run directly into a telephone pole that was sheered in half but still standing. The tire tracks continue in the ditch and end where the vehicle sat in the roadway covered in mud and blocking both lanes.

There was mud, clumps of grass and small rocks covering S. Lake Stevens Rd near the vehicle and about 50 feet west of the vehicle. Sergeant Miner called for Public Works to come and clean of the road.

I had dispatch contact PUD to inform them that a portion of the telephone pole marked #8664 had been knocked out, but the rest of the pole was still standing and the wiring was intact.

The vehicle was towed and Public Works cleaned the roadway. The roadway was opened and I cleared the scene.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

FOLLOW-UP REPORT

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION Hit and Run - property damage	INCIDENT NUMBER 15-1067
NAME OF VICTIM(S)		

On 4/25/15 at approximately 2317, I was working as a general commissioned uniformed police officer for the City of Lake Stevens police department driving a marked police vehicle equipped with emergency lights and siren.

I was dispatched to a blocking single car collision with unknown injuries in the area of South Lake Stevens Rd/Stitch Road.

Upon arrival I located the crashed vehicle, a blue Honda Pilot WA license #AHY2120, in the 10900 block of South Lake Stevens Road. The vehicle was blocking both lanes and was about 70 feet east of the driveway to 10911 South Lake Stevens Road.

It appeared the vehicle had struck a telephone pole – shearing it off and knocking a section of the pole off with the remaining pole still attached to the wires and hanging. I noted the vehicle's air bag system had deployed multiple air bags – driver's and both side impact air bags. I noted mud, grass and other foliage on both the sides and roof of the vehicle. The tires on the vehicle were flat with open and broken windows.

I requested Fire/Aid continue to the scene as I thought I might have an ejection and/or serious injuries.

Multiple unidentified witnesses began yelling the woman that had been driving had run away as I approached in my patrol vehicle. They pointed back west from the direction I had just arrived. One of the witnesses, Matthew Hart, said he was going to go try to find the woman that had run away as he knew what she looked like because he had let her use his cell phone to call her wife.

I quickly checked the vehicle for injured persons/victims. I advised Dispatch of the plate number and was advised the vehicle registration returned to Jennifer Bailey. Once I was certain there was no one in the vehicle needing emergency medical care I returned to my vehicle and drove westbound to locate the female driver.

As I passed a fire truck stopped in the roadway in the 10800 block I saw a white female adult trying to run away with a group of people calling out to her to stop. As I approached this group of people, Mr. Hart pointed to the running female and told me she was the driver. I drove up next to her with my emergency overhead lights on and told her to stop. She refused and continued to flee.

I drove in front of her, blocked her path with my vehicle and quickly got out. I noted I was now stopped in the middle of South Lake Stevens Road in front of 10805 South Lake Stevens Road – about two (2) blocks from the crashed vehicle.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

FOLLOW-UP REPORT

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION Hit and Run - property damage	INCIDENT NUMBER 15-1067
NAME OF VICTIM(S)		

I recognized her from previous contacts. Additionally, earlier in my shift, I had seen her at the Tom Thumb store driving the Honda Pilot that was now crashed. I could see she was bleeding from the right side of her head and her clothes were in disarray with mud on various places. She seemed very disoriented and upset.

I again ordered her to stop. This time she complied. I told her to walk back to the stopped Fire truck. She refused, screaming something to the effect that she wanted to talk to her wife and wasn't going to do what I said.

Due to the obviously serious collision this woman had just gone through I was very concerned she might have internal and/or head injuries. I grabbed her right arm, physically turned her around, grabbed her left arm and was forced to physically walk her to the Fire truck. Jennifer tried to pull away from me a couple times but would comply with my orders to keep walking and stop resisting. She was escorted to and turned over to waiting Fire/Aid personnel who immediately began patient care.

While walking her back to the Fire truck and between being yelled at she told me her name was Jennifer Bailey. She told me there was no one else in the vehicle when she crashed. She admitted she was driving. Once she was in the back of the Aid unit I retrieved her Washington State driver's license from her wallet: Jennifer R Bailey DOB: 2/12/86.

I asked her why she had run from the vehicle after she crashed. She yelled, "It's none of your fucking business!"

Jennifer began struggling with Aid personnel and was restrained. Jennifer was eventually transported to the hospital by Aid personnel.

I re-contacted Mr. Hart who told me he had talked with the person who Jennifer had talked to on his cell phone and that person had begged him to hide Jennifer from the police and not help us catch her. Additionally, Mr. Hart told me the female driver (Jennifer) only began running away when she saw my approaching police vehicle with the emergency lights on. He declined to write a statement but provided his name and contact phone number.

I called Jennifer's wife, Gina Bailey ph#425.320.6699, and advised her of the situation and which Hospital Jennifer was going to. Gina told me Jennifer had a major blood clot in her liver. I had Dispatch advise Fire/Aid of the medical concern.

I returned to Officer Kilroy's of my observations/actions and gave him Jennifer's' driver's license.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

My husband and I were headed SW on S lake Stevens Rd just after 11pm 4/25/15. We came upon an accident having just occurred. As we approached I saw a person stumble out of the car and onto the ditch on the North side of the street. After ~~a moment~~ I rolled down the driver side window and asked if I needed to call 911. She replied that she already had. At that point she approached my car and asked to use our phone to call her wife. My husband was calling the police at that moment so I replied that she could after we talked to the police. She asked that we not call the police and then took off to the car behind us and asked to use their phone. She was staggering around and after approaching the car and her reaction to us calling the police, I believe she was intoxicated. She did not appear hurt but I did see some blood on her face & clothes. She was late twenties about 5'7" slim build with short brown hair.
